## DIVIDENDS AND RETURNS

Riverdale Local School District  
Effective Date of Coverage: 7/1/2025

The financial strength of the Ohio School Plan (OSP) has allowed the Board of Directors to declare dividend returns to the membership over multiple years. Returns were declared in 2015, 2017 and 2019. These returns were based on member loss ratio's, years of membership, and premium.

Further, the board authorized the return of premium dollars associate with exposures that were minimized by remote learning during the COVID health crisis of 2020.

Most recently, in 2023 the Board offered a cyber grant to it members.

These various returns of premium are a result of the continued commitment of the OSP membership combined with guidance and oversight of the Board of Directors. The Board congratulates each member for participating in the State of Ohio's largest member owned pool dedicated to providing superior coverage and service to Ohio's public schools, disability district and related entities serving the needs of Ohio students.

Below are the amounts of dividends and other payments authorized by the Board for your district/entity.
